

# **PSR500DL**

## **Release Notes**

---

### **PSR500DL Version 1.03 Updates (Released March 7, 2009)**

- **Fixed an issue with the V-Scanner system where under certain conditions folders would be shown as empty when in fact they are not.**

---

### **PSR500DL Version 1.02 Updates (Released March 2, 2009)**

- **Switched software protection systems. This new system should make the program more stable.**

---

### **PSR500DL Version 1.01 Updates (Released January 21, 2009)**

- **Added support for uploading, downloading, and erasing V-Scanner folders. This option may be found in the Radio Menu.**

---

### **PSR500DL Version 1.00 Updates (Released January 16, 2009)**

- **Initial Release. Enjoy!**
